:2004
This symposium was made possible, in part, with special funding by the U.S. National Park Service through its Cultural Resources Training Initiative. However, the contents and opinions expressed in this publication do not necessarily reflect the views or policies of the National Park Service, U.S. Department of the Interior, United States of America; Johnstone Centre for Parks, Recreation, and Heritage, Charles Sturt University; or the Western Chapter of the Association for Preservation Technology, who partially funded the production.
